 2. Blood that flowed down from the cross, it stained the earth be - low

You took sins that were as scar - let, made them white as snow.  
 red with love that paid the price to make me white as snow.  
 now He lives in - side me, 'cause you made me white as snow.  
 full of all you bless me with, you made me white as snow.

*chorus:* Turned my dark in - to light and you made me white as snow;  
 Out of death in - to life and you made me white as snow!
